The screenshot shows the website [thaiembassy.com/thailand/thailand-visa-types.php](https://www.thaiembassy.com/thailand/thailand-visa-types.php). The page features a navigation menu with categories like THAILAND VISAS, MARRIAGE, BUSINESS, PROPERTY, THAI EMBASSIES, TRAVEL INFO, and THAI LEGAL INFO. The main content area is titled "Types of Thai Visa" and includes a section for "Tourist Visa" with a description: "This is a 60-day Tourist Visa to Thailand that can either be a multiple or single entry and can be extended for up to another 30 days by means of a visa run. Well if you want to extend longer than 30 days, you can convert the visa to a Non-immigrant Visa which will require you to go to the nearby city or country such as Penang and Kuala Lumpur, Malaysia." Below this is a section for "Non-immigrant Visa" with a description: "This is normally a single entry visa to Thailand valid for 90 days. Like the tourist visa, you can extend your stay by doing visa run going to the border or nearby city/country. Obtaining a work permit and opening a bank account is possible." To the right, there are sections for "Thailand Updates" listing items like "New Visa Rules" and "30-day Reporting", "Frequently Asked Questions" with a "Looking for answers?" prompt, and "Foreign Visas in Thailand" listing "UK Fiancee Visa", "US Fiancee Visa", "UK Tourist Visa", "K-1 Visa", and "Schengen Visa".
